

4.4.2 There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Response:

The college has a systematic mechanism for maintenance of all the above facilities. Computers, Master Software, RO water plant are maintained by an Annual Maintenance Contract (AMC) given to concerned agencies, some are maintained by external agencies and skilled staff appointed by the management on demand as per the need. At college level, there are different committees to monitor the smooth functioning of the college. The multipurpose hall of the college is provided to the programmes and activities conducted by the local government offices and NGOs at free of cost.

Policy for Physical, Academic and Support facilities:

The college has enough space to accommodate all the requirements. There are adequate classrooms for routine classes with spacious library, administrative office and other basic facilities as per the university affiliation norms. We are successful in making our campus plastic free zone. Internal cleaning work of the college building is distributed among the support staff. Garbage Van (GhantaGadi) of Municipal Corporation of Solapur, regularly collects it. Proper care of e wastage and chemical wastage is taken. Both urinals and toilets are also regularly cleaned with proper hygiene. Sanitary Napkin Vending Machine with destroyer is also set up in the college and it is regularly maintained. If any furniture is damaged it is repaired or replaced by new ones. Green boards and White board if broken are changed urgently. Broken glass panels of windows are replaced once in a year. The college has a canteen that has annual contract, which provides good quality food items. The Canteen Committee regularly reviews its rate and gives specific instructions about the hygiene and quality of the food.

Maintenance and utilization of Library:

Library has an advisory committee to monitor the smooth and effective functioning of all the services provided. Committee has various responsibilities like finalizing the annual budget of library, purchase of the books, journals and periodicals. Library is partially computerized in

primary stage. Monthly cleaning of the books and racks is done to preserve them. The Library provides open access for all users. There are different newspapers in Marathi and English are available. Library provides facility to out-door readers who include alumni and general readers. Stock verification is done in this year as per norms. Librarian seeks recommendations from the departments to purchase necessary books. After arrival of the new books their titles are shared on social networking platform and also display the books on new arrival section for information of staff and students. Online access to e-journals is provided through N-LIST Consortia. The library has inter loan facility with other libraries in the vicinity. Library has a good collection of rare books manuscripts and it has signed an official MOU with libraries of other college library for exchange of books and other services.

Maintenance and utilization of Sport Complex:

We have gymnasium and a large play-ground which are well maintained and used optimally. Anulakshya multipurpose hall is utilized for playing indoor games such as table tennis, wrestling, chess and carrom etc. We have play-ground with two Kho-Kho grounds, Kabaddi ground, and Volley-ball ground, Long Jump and shot put unit. The college has organized sports competitions at intercollegiate level. Students of the college have participated at University, State and National level, they use the sport facilities available in the college.

Maintenance and utilization of computers

Optical Fiber Cable Broadband internet is provided and Wi-Fi units are also set up in the college. LAN and internet connectivity is regularly tested. The sound system is set up in the Anulakshya hall. The college conducts examinations of the university through online software and training is provided to the staff when needed. We arrange different activities through the VC mode. The college website is maintained regularly by AMC with Ishwari computer institute, Solapur.

Extra-Curricular Activities:

There is a spacious hall for Cultural and other activities. It is well equipped with the audio-visual system and maintained regularly. There are various musical instruments for practicing cultural activities. College Development Committee takes proper decisions and implements

them for the betterment of the college and for the welfare of students. The institution has a provision of budget allocation for various activities. We take care that maintenance like repair of furniture, electrical equipment is get to be done from respective agencies at proper time.
